ORDER

On November 1, 2006, the Commission issued an Order adopting the recommendations and findings contained in a Commission Staff Report and approving a new schedule of rates that were proposed by Bracken County Water District (“Bracken County”).

Based on a further review of the proposed rates set forth in Exhibit 2 to Bracken County’s application, and the schedule of rates appended to the Staff Report and the November 1, 2006 Order, the Commission finds that a typographical error is contained in the minimum bill rate for multiple users. The rate that was proposed by Bracken County, and that should have been approved by the Commission, was \$19.65, rather than the \$19.95 which was set forth in the Staff Report and in Appendix A to the Commission’s November 1, 2006 Order. A corrected copy of the new schedule of rates is attached hereto as Appendix A.

IT IS THEREFORE ORDERED nunc pro tunc that:

1. Appendix A to the Commission's November 1, 2006 Order is corrected to reflect a minimum bill rate of \$19.65 for multiple users.
2. All of the other provisions of the Commission's November 1, 2006 Order shall remain in full force and effect.

Done at Frankfort, Kentucky, this 9th day of November, 2006.
